MEMORANDUM FOR: Deputy Chief, CI Staff/DD/P

SUBJECT: Reprints from Soviet Union

1. The attached material was forwarded from my old employer, STL, and I would be grateful for your professional opinion of its potential and intent. It is true that I used to work in the field mentioned; however, I have never before received from the Soviet Union reprints from people in the same field and wonder if this is hitched to the recent public announcement of my new job. I can handle it in a bland scientific way but wanted to give you a chance to check any potential provocation for Agency involvement.

2. I am in no hurry about responding.

ALBERT D. WHEELON  
Deputy Director  
(Science and Technology)
